

On display:

Lebor na hUidhre, the Book of the Dun Cow, containing the oldest written version of the Táin story;

The Annals of Connacht (1224-1562);

The ornate casket of the first Irish senate, made to contain the signature roll of the first senators – these include Yeats, St John Gogarty and Douglas Hyde;

'A Graphical Tour of Ireland': a selection of antiquarian drawings, 18th-20th centuries, from the library's extensive collections;

Examples of early 20th-century photographs of outings and field trips relating to various interest groups – Irish language scholars, Celtic revivalists, the Belfast Naturalists Field Club;

Thomas Moore's harp.
