How the Academy uses Eventbrite data to which we have access:

We use your name, contact details (email preferable) and payment amount for administrative purposes, e.g. to draw up a checklist of those attending a specific event; to contact you in the event of any changes to the event (for example, if the event had to be cancelled for any reason) and to for accounting purposes.

We send you an acknowledgement of booking and a follow-up email after the event (e.g. a feedback form). At that stage you will be asked whether you would like to join a mailing list or to sign up for an Academy newsletter. The contact details provided for the original booking are securely deleted once the event follow-up has been completed.
