

Royal Irish Academy Logo

The logo should never be altered in any way. Please ensure that appropriate master artwork is acquired from the graphic designer when reproducing the logo.

The logo should always be legible, clear and reproduced to the highest standards. The minimum size for reproduction of the full logo is 30mm, as illustrated below.

There are two colour options which should be adhered to: black and off-white.

Please ensure that you always request the correct artwork from the graphic design department.
