

ABOUT THIS EVENT :

This is the 14th Annual Conference of

Youghal Celebrates History. This year we hope to explore the hidden layers of the Historic Town Atlas of Youghal, published last year by the Royal Irish Academy and hope to show how Youghal can proudly take its place alongside the other towns in Ireland and Europe which have participated in this wonderful project and other towns, such as Dungarvan, which are “underway”.

Join us for a memorable weekend!
